

*Together we can build our youth
for the future*

*When young people
have access to
productive work,
our future is more prosperous.*

- ➔ Analysis of youth coaching services
- ➔ Development of comparable / intercultural / interorganisational / cross-sectoral / transferable training paths
- ➔ Training for trainers
- ➔ Piloting of youth coaching services
- ➔ Developing a short guideline of best practices

The youth employment initiative results in high performance and efficiency in education and training, by combining different sectors to fully explore the possibility of a European strategic partnership and to open up new opportunities or a sustainable and efficient innovative training method.

EXPLORE

CAREER

YOUTH

The YEI project aims to contribute to reducing the numbers of young people who are not involved in education, employment or training, by offering of supported employment services for vulnerable youth provided by youth coaches.

Objectives:

- Contribution to a more socio-economic, inclusive, and sustainable society, in particular by involving the disadvantaged young people.
- Equipping the organizations involved with new methods and approaches by combining the creative context with the educational context in an uncommon way.
- Fostering young people's skills to be able to better integrate themselves into society and the job market.

Target groups:

- Young people
- Trainers and Educators

JOB

EDUCATION
